

src/Devices/Timer/timer.h

```
graph TD; A[src/Devices/Timer/timer.h] --> B[lcom/lcf.h]; A --> C[stdint.h];
```

The diagram illustrates a header file dependency. A central box at the top contains the text 'src/Devices/Timer/timer.h'. Two blue arrows originate from the bottom edge of this box. One arrow points diagonally down and to the left to a box containing 'lcom/lcf.h'. The other arrow points diagonally down and to the right to a box containing 'stdint.h'. All boxes have a light gray background and a thin black border.

lcom/lcf.h

stdint.h
