

proj_main_loop

```
graph LR; A[proj_main_loop] --> B[boot_devices]
```

A diagram showing a flow from a box labeled 'proj_main_loop' to a box labeled 'boot_devices'. The 'proj_main_loop' box is white with a black border, and the 'boot_devices' box is gray with a black border. A blue arrow points from the right side of the 'proj_main_loop' box to the left side of the 'boot_devices' box.

boot_devices
